

WEDDING VENDORS

Use this worksheet to keep track of all your wedding day creative team. You can also easily share this with anyone who asks for a complete list of your wedding day team. This keeps everyone on the same page for clear communications.

Wedding Couple: _____ Wedding Date: _____

This part is very important so that I can help your wedding day creatives . This information will allow me to credit them in my photos and blog posts and also allow me to share my images with them so that they can better market their services. Your wedding day creatives will appreciate this immensely!! Please complete the information for all your wedding vendors as it applies:

Please provide at least two people to list as a Contact Person for any emergencies that may arise on your wedding day other than the couple.
